Memorandum

**Engineering Services, Facilities
Engineering**

Subject: LANL ES-FE Approved NDE Training Sources

Reference: ASNT SNT-TC-1A, 2016, *Recommended Practice for Qualification and Certification of Nondestructive Testing Personnel*, paragraph 7.0

This memorandum is documentation of the Level III review and approval of training sources for Nondestructive Evaluation (NDE) personnel.

These evaluations are based upon direct assessment by the Level III, or by Level III review of the classroom experience as noted by Level II personnel. Reevaluation shall occur by site visit (auditing the class) or desktop review as deemed appropriate by the Responsible Level III.
