

**Process Control Spec Section Drafts**

**Available from I&C POC**

40 9000, Instrumentation and Control for Process Systems
40 9119.29, Liquid Pressure Process Measurement Devices
40 9119.36, Temperature Process Measurement Devices
40 9123.33, Flow Process Measurement Devices
40 9123.36, Level Process Measurement Devices
40 9200, Primary Control Devices
40 9213.13, Electrically Operated Primary Control Valves
40 9213.19, Pneumatically Operated Primary Control Valves
40 9413.13, Host Process Control Computers
40 9433, Human Machine Interfaces
40 9443, Programmable Logic Controllers
40 9513, Process Control Panels
40 9573, Process Control Wiring
